Terms & Conditions:

Look out for "Ekslusiv Photography" at the venue to get to our studio.

During your graduation ceremony, two (2) stage photographs will be taken of you:

(One on stage when you receive your academic colours, and a head & shoulders when you leave the stage.)

Your order can be placed before the ceremony at Ekslusiv studio.

Your order will be sent to you by **registered mail** within \pm 30 working days.

N.B. Ekslusiv Photo Studio does not take responsibility for photographs returned or misplaced by the post office.

An amount of R30 is payable if photographs need to be posted again.

The procedure to have your photographs taken is as follow:

There are **two queues** for photographs at the ceremony:

- The **queue at the cashiers** (a row of tables)
- The **queue at the studio** (lights and a backdrop)

If you **only** want your **ceremony photographs** (a stage photo and a portrait) join the **queue at the cashiers**. This is where you hand in your white form with the correct money.

However,

If you also want:

- **Family photographs**
- **The 'special scroll portrait'**
- **A full length photo of yourself**

Then:

Join the **queue at the studio first**. **After** your photographs have been taken, you will receive a pink form. Now you can join the queue at the cashiers and hand in both the white and the pink form with the correct money.

Please note:

You do not have to join the queue at the studio for your ceremony portrait photograph as this is taken during the ceremony in our other studio.

The ceremony photographs are **taken during the ceremony** and work as follows:

1. When you are being draped or receive a handshake a **stage photograph** will be taken.
2. When you leave the stage, **before you take your seat**, a **portrait photograph** will be taken.

Remember to smile 😊
