

EKSLUSIV PHOTOGRAPHY

We specialise in capturing your special day

LET YOUR HEART CHOOSE

WHAT CAN WE OFFER YOU?

A wedding is the fulfilment of your dreams. It's the product of months of detailed planning and preparation. It's the start of a new families history - your family!

You need someone to preserve these cherished moments.

Allow us to capture the beauty and elegance of this special day and present you with an album bound in the finest leather printed on real photographic paper. A gratifying showcase visually telling the story of a blessed new beginning!

Ekklusiv consist of two photographers, thus you can be sure every angle is covered.

To capture the beauty and elegance of this special day we use a mixture of photojournalistic and formal photography.

The photojournalistic style allows us to capture the moments you don't always get to see. The formal style assures you of studio quality photographs.

We specialise in capturing your special day!
